

# HASLER

## Installation Instructions

AE3, AES3

### Introduction

The **United States Postal Service** has announced a rate change effective January 8, 2006. The Rate IC provided with these instructions will update your Hasler scale with the most current rates.

January 2006

**Follow the instruction on the back of this notice  
to install the new rates in your scale.**

### If You Have Questions

**Call your local Hasler dealer** or contact us:

Hasler, @Inc.  
19 Forest Parkway  
Shelton, CT 06484-6140

Phone 800-446-6027

Fax 800-631-0546

The USPS will institute a 5.4% increase on Domestic and International rates. Here is a brief description of the rates affected by the increase.

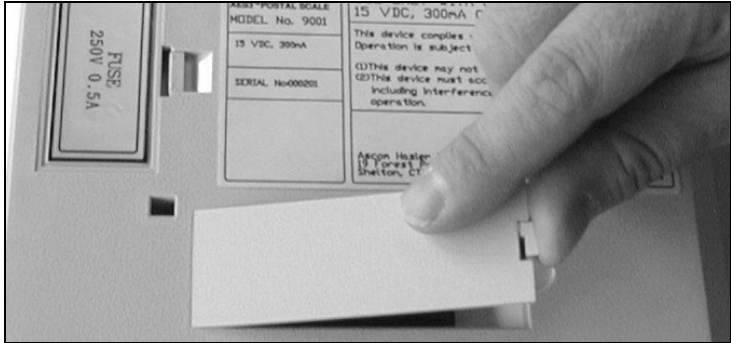

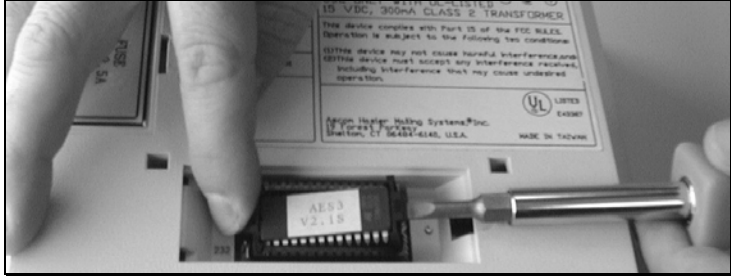

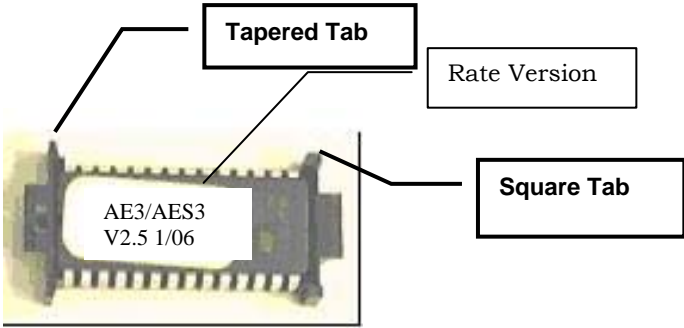

### Rate Change Highlights

First Class	Basic rate from \$0.37 to \$0.39 for letters an oz or less. Up 1 cent to 24 cents for each additional ounce.
Priority Rates	Base rate up 20 cents to \$4.05. One pound, up 30 cents to \$6.15.
Express Mail	For 8 ounces, up 75 cents to \$14.40.
Certified Mail	Up 10 cents to \$2.40.

### Return Of Old Rate ICs

It is not necessary to return the "old" rate IC.

**Installation**

#	Action	Comments/Figures
1	Unplug the scale.	From the power adapter and the meter.
2	Open the access cover on the bottom of the scale	<p>The access door will come off.</p> 
3	Remove the Rate EPROM from the socket by pulling up on the two tabs of the EPROM carrier.	<p>If the EPROM does not come up easily, gently pry up on the tabs using a screwdriver.</p> 
4	<p>Press the new Rate EPROM into the socket.</p> <p>NOTE: The Tapered Tab goes in the Tapered Socket and the Square Tab goes in the Square Socket.</p>	<p>The carrier (with IC) will only install in one direction. <b>Do Not use excessive force.</b></p> 
5	Place the access cover back into the scale and snap it back into place	
6	Plug the scale back in.
