

HASLER

Rate Change Installation

SS3

Introduction

United States Postal Service has announced a rate change effective January 8, 2006. The Rate IC provided with these instructions will update your Hasler scale with the most current rates.

January 2006

**Follow the instruction on the back of this notice
to install the new rates in your scale.**

If You Have Questions

Call your local Hasler dealer or contact us:

Fax 800-631-0546

Rate Change Highlights

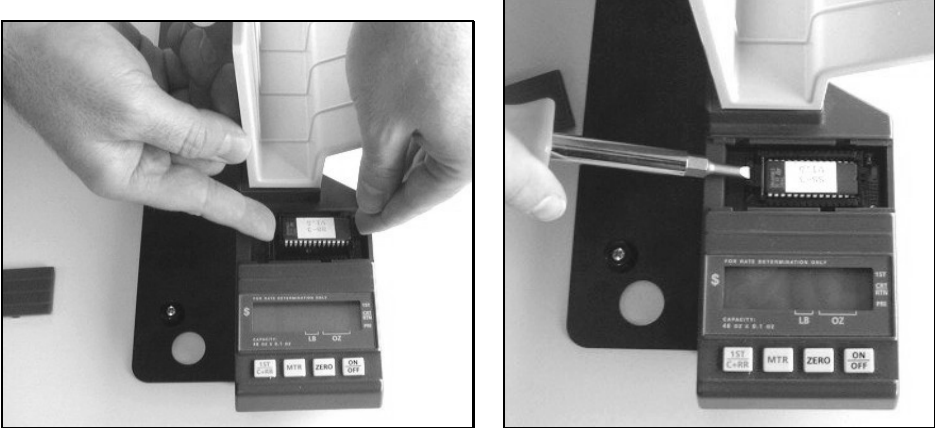

The USPS will institute a 5.4% increase on Domestic and International rates. Here is a brief description of the rates affected by the increase.

First Class	First ounce, up 2 cents from \$.37 to \$.39. Each additional ounce, up 1 cent to \$.24.
Priority Mail	Base rate up 20 cents to \$4.05. One pound up 30 cents to \$6.15.
Certified Mail	Up 10 cents to \$2.40.

Return Of Old Rate Cards

It is not necessary to return the "old" rate IC.

Installation

#	Action	Comments
1	Unplug the scale.	Unplug from both the meter and the power adapter.
2	Open the access cover on the top of the scale	Slide the access door to the left and lift up and off. 
3	Remove the Rate EPROM from the socket by pulling up on the two tabs of the EPROM carrier.	If the EPROM does not come up easily, gently pry up on the tabs using a screwdriver. 
4	Press the new Rate EPROM into the socket.	The tab with the 2 small square holes must be toward the right side when viewed from the top of the scale.
5	Place the access cover back onto the scale and snap it back into place	Slide the access door to the right and then press down.
6	Plug the scale back in.	Reconnect both the meter and the power adapter.
