

The easy-to-use, cost-effective, desktop mailing system for branch offices or small offices

WhisperJet™ Mailing Systems

Smart Card technology permits easy loading of rates and custom ad dies

Electronic interfaced scale weighs letters, parcels and flats up to 4 lbs.

PIN password protection for added security

Automatically sets the exact postage required and prints directly onto your envelope or pre-adhesive tapes — no need for stamps

With the WJ20, you can always have the correct postage you need for your everyday letters and parcels — day or night — right at your fingertips! Never stand in line for postage again.

- Small and easy to use; fits anywhere in your office
- Electronic Tele Meter Setting® for convenient postage replenishment without ever having to leave the office
- Prints your logo, eight standard ad dies or two custom messages next to your postage
- Prints 20 letters or labels per minute
- Ultra-secure Information-Based Indicia (IBI) technology protects postal funds
- Utilizes Smart Card technology for effortless postal rate changes, ad dies and message uploads
- Tracks postage usage with report printout feature

HASLER

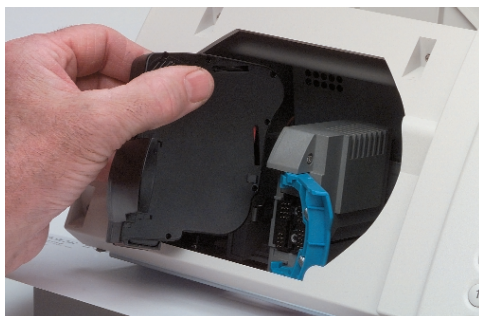

Perfect for branch offices and small offices just like yours!

Easy-to-read display allows you to generate accurate postage and reports on postage tapes for convenient account tracking.

Small and easy to use, the WJ20 fits anywhere in your office. This quick, easy-to-use desktop mailing system allows you to weigh envelopes and parcels — and automatically get postage — in three easy steps:

1. Simply place your envelope onto the electronic interfaced scale
2. Select class of mail desired
3. Press "OK"

The neat, easy-to-change, replacement ink cartridge yields up to 2,500 imprints.
